

## **Frederick's "Beer Guy" Comes to Frederick Wine House**

Say "hello" to our newest employee—Guy Fritz! Known as the "beer guy" around town and in the industry, Guy brings upwards of 17 years of beer, liquor, and wine experience, which includes 8 years at Ye Old Spirit Shop. Guy started working in the industry at 21 and worked on the bottling line at Blue Ridge Brewing (Frederick Brewing Company). Guy's footprint in the beer arena is almost larger than life. What this former sous-chef loves most about craft/artisan beer is the effort to achieve depth of flavor. Regarding beer pairings, Guy's motto is "you can find a flavor to match anything." An accomplished and revered reviewer of beer, Guy will be blogging about beer for Frederick Wine House and serving as beer specialist.

Come by the store September 19 to join us in welcoming the "beer guy" to Frederick Wine House.
